OFFICE OF THE CITY MANAGER  
NO. LTC # 074-2007

## LETTER TO COMMISSION

TO: Mayor David Dermer and Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager

DATE: March 29, 2007

SUBJECT: Normandy Pool Open starting Friday, March 30, 2007

The purpose of this Letter to Commission is to inform you that the pool portion of the Normandy Park and Pool Project will be open as of tomorrow, Friday, March 30, 2007, just in time for the children of our community to enjoy during their Spring Break.

The pool area contains an adult lap pool and the children's water playground pool, multi-purpose recreation center, locker rooms and restrooms. The other portions of the Normandy Park and Pool Project will re-open shortly as well, and will include a soccer field, multi-purpose courts, shade pavilions and a new playground. New lighting and a decorative iron fence add to the functionality and safety of this recreational facility.

The CIP Office will have their inspectors distribute flyers to door-to-door this evening to Normandy Isles, Normandy Sud, and Normandy Shores as well as to the City's youth centers announcing the opening. Additionally, interested parties who have signed up through the City's LISTSERV program to receive email notification on project status in the North Beach area, or by specific project will also be notified. The press release will also be posted on the City's website by the end of today.

If you have any additional questions, please feel free to contact me.
